Good ..... I am .....  
from Statistics New Zealand.

You have been selected to take part in a  
nationwide survey.

The questions are about whether you  
have any difficulties doing everyday  
things because of a condition or health  
problem.

Your answers will be used only to  
produce statistics. You will not be  
identified as an individual and your name  
will not be attached to the information.

I would like you to answer a short  
questionnaire that will take about  
10 minutes. Then I may need to ask you  
some more questions.

**1a.** Are you aged 15 years or over?

yes ..... 1  ➔ **continue**

no ..... 2  ➔ **complete a Child Questionnaire**

**1b.** I am going to ask you some questions about long-term difficulties that some people have doing things.

By long-term, we mean difficulties that have lasted **6 months or more**, or are expected to last for **6 months or more**.

The questions cover a range of difficulties that some people will have.

**2.** *INTERVIEWER*

*Are you male or female?*
